Early Intervention Teacher Assistant

We are seeking a Teacher Assistant for our Early Intervention program. The TA will operate under the direction of the classroom teacher and the supervision of the program manager. The TA is an active participant in planning, preparation, running activities, engaging/facilitating play, and setup/cleanup of the classroom. Regular attendance is essential for this position.

Supportive workplace: We provide onsite supervision, ample speech materials, and a collaborative community of SLPs, OTs and ABA therapists. This is a great place for an experienced clinician or a clinical fellow.

Work-life balance: Enjoy flexible hours tailored to fit your schedule and the needs of the children we serve. We offer a generous paid time off package plus paid holidays and an extended winter break.

Modern facilities: All services are delivered in our new, clean, state-of-the-art building. An empowering environment for growth and innovation!

Benefits: We've got you covered with medical, vision and dental insurance, matching retirement contribution, and paid long-term disability.

Location: Conveniently located in St. Charles, just off Interstate 70, near a variety of stores and restaurants.

Student loan forgiveness: Thanks to our nonprofit status, you might be eligible for student loan forgiveness through the government.
